NOTE 1
Within the 12-nautical mile Territorial Sea, established by Presidential Proclamation, some Federal laws apply. The Three Nautical Mile Line, previously identified as the outer limit of the Territorial Sea, is retained for historical purposes. The jurisdictional limit of the other laws, the Territorial Sea Boundary, is the outer limit of the Territorial Sea. The Three Nautical Mile Line does not extend to the east of the year 1984 of Federal jurisdiction and the outer limit of the jurisdiction of the laws. The 12-nautical mile Territorial Sea and the 100-nautical mile Exclusive Economic Zone were established by Presidential Proclamation. Unless noted by treaty or the U.S. Supreme Court, these maritime limits are subject to modification.
